

**Hot from the Press:**

**Our Malmesbury Halloween Trail 2021**

After last year's huge success, we have decided to do it again.

We are looking to do this over the half term school holidays from Friday 29<sup>th</sup> October to Sunday 31<sup>st</sup> October.

A three-day SPOOKY TRAIL.

Add your address to the trail by going to the website.

[www.halloweenmalmesbury.weebly.com](http://www.halloweenmalmesbury.weebly.com)

or contact Julie on 07595725263.

The website has lots of ideas to give you some inspiration to get you started.

Join in the fun and help give your children something to do in the half term and why not become a spooky character too.

Recycle those Scarecrows into Halloween Characters.

Get making those Pom Poms in orange and put up.

Please respect people's privacy and refrain from knocking doors, I'm sure a few treats will be left outside some places.

We look forward to seeing your Pumpkin creations.

Please post your photos onto Our Malmesbury Facebook page or send to Julie as above.

Happy Halloween fun,

Yours

Julie Exton and Ben Thornbury

Psst: Light up Malmesbury for Christmas, has just been made live too, so get those thinking caps on, Malmesbury is the new Blackpool.
