

Malmesbury & Villages Light up for Christmas 2021

Yes, it's nearly that time again.

Last year was such a success that we want you to do it all again.

Christmas may seem far away at the moment, but you will be surprised how quick it will creep on you.

Winter can be a dreary time; dark nights settle in so early and the evenings can drag on.

So, here we go, the website is up and running, just fill out the form to go on the map, and start making your decorations bigger and better than last year.

Christmas Pom Pom making, light display planning, recycle those scarecrows again and dress them up in Christmas costumes. Start making those decorations and decorate your windows, doors, gardens etc. from a coloured picture to a light display that Blackpool would be happy with.

And why you may say, well to bring some joy and happiness to you and your fellow neighbours.

Its was so good walking and driving around last year, so we look forward to seeing all your decorations again.

The website is
