The Malmesbury Jackdaw

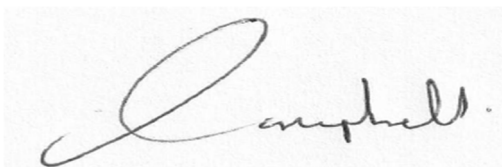

Dear Andy and Team

I am writing to thank you formally on behalf of Malmesbury Town Council for all your hard work in compiling and distributing the Jackdaw flyer in support of the High Street. I know you did this with a depleted distribution team, covering unfamiliar and extra rounds. And it was a challenging task with over 3,000 copies distributed.

We are very grateful for the support of the Jackdaw in promoting the town and informing residents the High Street is up and running and a safe place to shop.

We wish you all the best with the continuing publication of The Malmesbury Jackdaw.

Yours sincerely

Councillor Campbell Ritchie
Mayor of Malmesbury
